

YSHIELD® GD5 | Grounding distributor fivefold

Fivefold grounding distributor if several grounding products are supposed to be connected to one origin.

Fivefold grounding distributor if several grounding products are supposed to be connected to one origin. **You can distribute one ground connection to up to 4 products with this small junction. The housing can be used loosely or be fixed onto a wall.**

- Connectivity: 5 cable connections
- Scope of delivery: Aluminium plate 35x75x2 mm, plastic cover 40x80x11 mm, all necessary screws, discs, dowels, cable lugs and a screwing tool with Torx®-Bits. Cable is not included in the scope of delivery – we recommend our pre-assembled cables GL.
